

# Thoughts From the Mount of Blessings

## Preface

The book you have in your hands comes from the brilliance of the One who changed the course of human history. It contains the most beautiful description ever known about what love really is. The Sermon on the Mount is the grand masterpiece of the Word of God Himself—the Lord Jesus Christ.

In one of the most extraordinary messages ever presented to all who hunger and thirst in their souls, Jesus elevates the beauty of the Law of God in the language of heaven—the best 10 expressions of God—written in an open declaration of sublime love to humanity.

Enjoy the fascinating atmosphere as the Savior—embracing the children in His arms while surrounded by thousands of sinners seeking reconciliation with God and with their own conscience—shares the bread of life, bearing the eternal smile of the great “I AM”. There will always be “The Lamb of God”, Jesus Christ, ready to challenge the “humanly impossible” and to provide faith and trust in the power of the Almighty.

Jesus is the One who establishes His kingdom, not upon the force of His genius but upon love—and that is why He encourages you today to stand for your opportunity, to stand for your hope, to stand for your future, to stand for your happiness and finally to stand for the right—for God and His truth—when the test of time will inevitably occur.

If you have this book in your hands, it is only by the grace and power of the One that sacrificed everything for your salvation. In these brief six chapters we find comfort for the helpless and artificial religious hypocrisy shattered. Hopeful rays of heavenly light warmly shine upon those who sincerely yearn for deliverance from cultural bondage, sin and superstition.

If this book connects you with the Infinite Love of an Infinite Creator, then experience the tremendous joy of sharing it also with others—and let’s cooperate with Him to make the world a better place, in preparation for eternity!
